## VOCABULARY EXAM DATES

SEMESTER ONE 2021-2022

Directions: Every other Friday, you'll have a vocabulary quiz over the provided vocabulary unit. For English 10 courses, you will receive some in-class workshop time to work on vocabulary squares and charts. Your squares will be collected before the assessment on the day of the quiz. Since these dates are announced well in advance, there will not be any extension for absences unless you miss the day of the exam for an excused reason (or are out for more than one week- excused absence). SO, please work ahead!
